Key Equipment & Supply Company and Quality Rents have formally announced the acquisition of a new building in Springfield, Illinois, to service our existing customer base for Elgin®, Labrie™, Envirosight, PB Loader, Key Rebuilds, and all other product lines.

“Our operation in Springfield, IL will open its doors on October 1, 2021, for in-house service, parts purchasing, and equipment purchases. It will be fully staffed with factory-trained professionals to answer all your questions and handle all your service needs. In the meantime, we have road technicians that can manage all your equipment maintenance needs,” Mike Vislay, Vice President of Key Equipment & Supply Co. and Quality Rents.

Key Equipment & Supply Company has been in business for nearly 60 years, incorporating in October 1962. With the addition of Quality Rents in 2020, Key Equipment & Quality Rents currently operate two facilities in St. Louis (Bridgeton) Headquarters, and a branch in Kansas City. Both existing branches offer sales, service, and rentals of new and used equipment, rebuilds of equipment, and a parts department with an extensive parts inventory.
