OUR NEW KEY EQUIPMENT® WEBSITE HAS LAUNCHED

Report by Terri Rodina

Key Equipment & Supply Company is celebrating its 60th year in business in 2022. We have launched our new website with many added features including a Parts Store coming soon. Key Equipment has three locations in St. Louis (Bridgeton), MO, Kansas City, KS, and our newest location in Springfield, IL, plus seven Territory Managers in Missouri, Kansas, Oklahoma, and Illinois. We are proud to offer our customers Sales, Rentals, Parts, and Service on all our featured equipment. “Whether you are looking for ELGIN®, VACTOR®, TRUVAC®, LABRIE or ENVIROSIGHT equipment, we have you covered. We are also new dealers of GREEN CLIMBER's, industrial grade remote controlled slope mowers. Check out our new website to see what we have to offer,” Steve Hyink, President of Key Equipment & Quality Rents.

DEMO UNITS ARE
AVAILABLE

EMPLOYEE
SPOTLIGHT

Green Climber^{NA}

Green Climber Remote Control Slope Mowers can handle your most difficult tasks. These mowers work on slopes of up to 60 degrees, can be remotely operated from a distance of 500 ft. and can take down overgrowth up to 8" in diameter. Their low center of gravity keeps them glued to the ground. That's performance. That's production. That's operator safety.

KEY EQUIPMENT HAS TWO DEMO UNITS OF GREEN CLIMBERS

INDUSTRIAL GRADE REMOTE-CONTROLLED SLOPE MOWERS

BY TERRI RODINA

Key Equipment® has two demo units available of the Green Climber, the LV600 and the F300 PRO. The LV600 is the ultimate vegetation management tool. Ideal for thick, unruly brush up to 6 inches in diameter. Its many uses include roadside maintenance, fire breaks, and pipeline maintenance. It can mow steep inclines up to 60 degrees. The F300 PRO is a fixed-head mower ideal for thick and unruly grasses or areas requiring a light footprint. Handling areas up to 2 inches of overgrowth, the F300 Pro is ideal for commercial properties, golf courses, municipal parks, and mowing inclines up to 60 degrees. Contact your Territory Manager to schedule your demonstration or for more information on buying or renting a Green Climber today.
