## EQUIPMENT MANUFACTURING AND INNOVATION SINCE 1977.

Green Climber Slope Mowers are designed and engineered by MDB Srl, a family owned Italian manufacturer located in the Abruzzo region of Italy. They have been engineering and manufacturing industrial equipment for over 40 years.

Introduced to the world market in 2012, The Green Climbers have been praised for their revolutionary safety, equipment innovation and production efficiency. MDB Srl's mission is to provide premiere equipment using only the finest components and technology available.

Today, the MDB Srl facility is over 150,000 square feet and growing. Their in-house manufacturing & assembly produces not only the Green Climbers but specialty equipment & accessories for the Vegetation & Material Handling world.

## Kohler Diesel: America's Engines.

The Green Climber models LV600 PRO & LV800 PRO are equipped with the Kohler Diesel Engines. These Engines are the trusted engine for many Chippers, Grinders and other forestry equipment. At 56Hp and 75Hp, these engines provide enough power to mulch heavy brush, but are light enough to avoid DEF or regeneration.

Stocked in the USA, Kohler Diesel's main office is located in the great state of Wisconsin.

The Kohler engines are the heart of the Green Climber fleet. Green Climber of North America, Inc. is an authorized service center for the Kohler Diesel Engines.

## Enhanced Safety, Enhanced Design.

Green Climbers are the only family of slope mowers to offer multiple models with expandable tracks. Their versatility is enhanced by the quick-connect hydraulic system. Change between the forestry head to bucket in minutes.

The Green Climber slope mowers are equipped with iMET radio remote controls. These industrial remote controls are trusted across multiple industries.

The iMET M880 provides full visibility into the operation of your Green Climber. From your remote you can monitor:

- Direction
- Speed
- RPM
- Flail On/Off, Speed & direction
- Error Codes
- Engine Hours
- Fuel & Fluid Levels
- Power

## Industry Leading Remote Controls.

The Green Climber LV800 Pro and LV600 Pro come standard with the iMET LCD screen remote. From the palm of your hands monitor fuel, oil levels, battery power and more.

To keep you up and running all green Climbers come equipped with an on-board battery charger and spare battery.

The battery charger can be kept on the unit or plugged into your vehicle. Avoid down time by having a spare battery always charging.

Green Climber of North America Inc. is a certified iMET Dealer & Service Center for the North America.

## Green Climber LV800 Pro

**MACHINE DRY WEIGHT:** 3,750 Lbs.

**WORKING GRADIENT:** Up to 60° all directions

**SPEED:** 5.5 mph

**ENGINE:** KOHLER Diesel 75 Hp

**NO. CYLINDERS:** 4

**ENGINE COOLING:** Liquid

**FUEL TANK CAPACITY:** 14 Gal.

**CUTTING WIDTH:** 61 Inches

**TRACK EXTENSION:** +/- 20 Inches

**HYDRAULIC SIDE SHIFT:** +/- 20 Inches

**CUTTING CAPACITY:** Up to 8 Inches

**REVERSIBLE RADIATOR FAN**

**ON-BOARD BATTERY CHARGER**

**500 ft REMOTE RANGE**

# Green Climber LV600 Pro

- MACHINE DRY WEIGHT: 2,850 Lbs.
- WORKING GRADIENT: Up to 60° all directions
- SPEED: 5.5 mph
- ENGINE: KOHLER Diesel 56 Hp
- NO. CYLINDERS: 3
- ENGINE COOLING: Liquid
- FUEL TANK CAPACITY: 8 Gal.
- CUTTING WIDTH: 51 Inches
- TRACK EXTENSION: +/- 16 Inches
- HYDRAULIC SIDE SHIFT: +/- 16 Inches
- CUTTING CAPACITY: Up to 4 Inches
- REVERSIBLE RADIATOR FAN
- ON-BOARD BATTERY CHARGER
- 500 ft REMOTE RANGE

# Green Climber LV300 Pro

- MACHINE DRY WEIGHT: 1,720 Lbs.
- WORKING GRADIENT: Up to 60° all directions
- SPEED: 5 mph
- ENGINE: Yanmar Diesel 25 Hp
- NO. CYLINDERS: 3
- ENGINE COOLING: Liquid
- FUEL TANK CAPACITY: 5.5 Gal.
- CUTTING WIDTH: 45 Inches
- TRACK EXTENSION: +/- 16 Inches
- HYDRAULIC SIDE SHIFT: +/- 16 Inches
- CUTTING CAPACITY: Up to 2 Inches
- REVERSIBLE RADIATOR FAN
- ON-BOARD BATTERY CHARGER
- 500 ft REMOTE RANGE

# Green Climber F300 Pro

- MACHINE DRY WEIGHT: 1,731 Lbs.
- WORKING Grade: Up to 60° all directions
- SPEED: 5 mph
- ENGINE: Yanmar Diesel 25 Hp
- NO. CYLINDERS: 3
- ENGINE COOLING: Liquid
- FUEL TANK CAPACITY: 5.5 Gal.
- CUTTING WIDTH: 40 Inches
- CUTTING CAPACITY: Up to 2 Inches
- REVERSIBLE RADIATOR FAN
- ON-BOARD BATTERY CHARGER
- 500 ft REMOTE RANGE

# Green Climber F-23 80

- MACHINE DRY WEIGHT: 1,036 Lbs.
- WORKING GRADIENT: Up to 60° all directions
- SPEED: 6 mph
- ENGINE: Kawasaki Gasoline 25 Hp
- NO. CYLINDERS: 2
- ENGINE COOLING: Air
- FUEL TANK CAPACITY: 5.6 Gal.
- CUTTING WIDTH: 32 Inches
- REMOTE MOWER ADJUSTMENT: +/- 5 Inches
- CUTTING CAPACITY: Up to 2 inches
- DUAL SWINGING ROTARY BLADES
- ON-BOARD BATTERY CHARGER
- 500 ft REMOTE RANGE
