### KWEA/KSAWWA JOINT CONFERENCE Report by Terri Rodina

The Kansas Water Environment Association and the Kansas Section of the American Water Works Association held their 13th Annual Joint Conference at the Stormont Vail Event Center in Topeka, Kansas, on August 30-September 1. Attendees of the conference learned about new advancements and regulatory updates and connected with their peers to share success stories and discussed solutions to challenges in the industry. The exhibit hall featured the newest equipment and tools for water and wastewater applications. Municipal agencies, operators and managers, consultants, regulators and manufacturers, and contractors attended this year's conference. The conference also offered continuing education credits for those that require professional certification and/or licensure.

CITY OF HARRISONVILLE'S NEW VACTOR RAMJET

EMPLOYEE SPOTLIGHT

## CITY OF HARRISONVILLE'S NEW VACTOR RAMJET

BY TERRI RODINA

Recently Key Equipment & Supply Co.'s Territory Manager, Steve Williams, delivered the City of Harrisonville their new VACTOR® Ramjet®. The Ramjet includes the IntuiTouch®, exclusive VACTOR controls, and many other features for greater precision and increased productivity. The improved water plumbing adds more storage options and the low-maintenance Jet Rodder® water pump delivers smooth flow at the nozzle for general cleaning and root cutting and powerful "jackhammer" action to break up tough blockages.

## Employee Spotlight Doug Anderson Shop Foreman

Doug Anderson is in his 23rd year working at Key Equipment & Supply Co. He is the Shop Foreman at our Service Center in our Bridgeton (St. Louis), Missouri facility. Donnie O'Dell, Director of Service, explained, "Doug is my right-hand man and is known as the 'get it done' man." Doug loves the interaction with his customers and fellow employees. In his downtime, he enjoys riding motorcycles and spending time with his family and friends.
