

BASIC BY DESIGN. RELIABLE BY NATURE.

Harben ES-12 Trailer Jetter

▶ Compact Power, Maximum Advantage

Built with Harben's legendary run-dry pump, you get full power, reliability, and efficiency in a compact package that goes where big machines can't.

▶ Real Support, Nationwide

Hands-on help, honest answers, delivered straight from a team that stands behind every Harben out there—backed for two full years, and by a culture that says, "Harbens don't quit. And neither do we."

▶ More Jobs, Less Downtime

300-hour service intervals. No blown seals, pumps stay protected. Keep your revenue rolling and your backlog shrinking.

▶ Winter Doesn't Slow You Down

Integrated antifreeze system lets you say yes to jobs all year, not just in warm weather.

BUILT TO OUTLAST. READY WHEN YOU ARE.

Harben ES-12 Trailer Jetter

Compact yet powerful. Built for plumbers who demand reliability and efficiency.

► Purpose-Built for Sewer & Drain

Engineered specifically for hard, dirty jobs — no generic pumps or afterthought design. Harben's radial piston diaphragm pump keeps you moving even when dry, powering through stubborn blockages year after year.

► No-Excuse Reliability

Still running strong after decades in the field. You get unwavering pressure (Up to 3,000PSI/12GPM) with fewer breakdowns thanks to our best-in-class, Run-Dry pump and cold-ready antifreeze system. Your ES-12 is always ready, regardless of weather.

► Made For the Long Haul

Built right here in the USA, covered by a tough-as-nails warranty, and supported by a team that answers the phone when you call.

"It's unstoppable! We've had our Harben jetter for 22 years, and it's unstoppable. The staff have offered great support every time."

— Matthew Zurn, Zurn Plumbing
