

MORE WATER. MORE EFFICIENCY.

Harben ET-180 Trailer Jetter

► Safer, Smarter Work

180° pivoting hydraulic hose reel and wireless remote lets you work fast, out of traffic, with fewer crew injuries.

► Real Support, Nationwide

Hands-on help, honest answers, delivered straight from a team that stands behind every Harben out there—backed for two full years, and by a culture that says, “Harbens don’t quit. And neither do we.”

► More Jobs, Less Downtime

300-hour service intervals. No blown seals, pumps stay protected. Keep your revenue rolling and your backlog shrinking.

► Winter Doesn't Slow You Down

Integrated antifreeze system lets you say yes to jobs all year, not just in warm weather.

BUILT TO OUTLAST. READY WHEN YOU ARE.

Harben ET-180 Trailer Jetter

Run longer, refill less. Built for pros who can't afford downtime.

► Purpose-Built for Sewer & Drain

Engineered specifically for hard, dirty jobs — no generic pumps or afterthought design. Harben's radial piston diaphragm pump keeps you moving even when dry, powering through stubborn blockages year after year.

► No-Excuse Reliability

Still running strong after decades in the field. You get unwavering pressure (Up to 4,000PSI/18GPM) with fewer breakdowns thanks to our best-in-class, Run-Dry pump and cold-ready antifreeze system. Your ET-180 is always ready, regardless of weather.

► Made For the Long Haul

Built right here in the USA, covered by a tough-as-nails warranty, and supported by a team that answers the phone when you call.

"It's unstoppable! We've had our Harben jetter for 22 years, and it's unstoppable. The staff have offered great support every time."
